DAY '26

1 a. Sapphire

Sapphires are precious gemstones most often found in deep blue hues, symbolising wisdom, loyalty, and nobility.

2 d. Mount Gambier

The Blue Lake in Mount Gambier, South Australia, is a volcanic crater lake that famously turns a bright cobalt blue each summer.

3 b. Eiffel 65

The Italian group Eiffel 65 released Blue (Da Ba Dee) in 1998, which became a worldwide dance hit.

4 c. New South Wales

The New South Wales rugby league team is nicknamed "The Blues".

5 a. Ulysses butterfly

The Ulysses butterfly, found in Queensland rainforests, is known for its striking metallic blue wings.

6 b. Bluey

Bluey is an Australian children's TV show about a six-year-old blue heeler puppy and her family, loved for its heartwarming stories and life lessons.

7 a. Earth

Earth is often called the "blue planet" because over 70% of its surface is covered by oceans.

8 b. Dory

Dory is the bright blue regal tang fish from Finding Nemo and Finding Dory.

9 b. The Blue Mountains

The Blue Mountains in New South Wales get their name from the blue haze created by eucalyptus oil released into the atmosphere.

10 d. Splendid fairywren

The male splendid fairywren is nicknamed the "jewel of the outback" for its vivid blue feathers.
