

**DO IT
FOR**
Dolly's
DAY'26

HOW TO GO BLUE TO END BULLYING!

Wear Your Blue Loud and Proud

Encourage the school community to pull on their brightest blue outfits, paint their faces, or even dye their hair! Going blue is a conversation starter about kindness and standing against bullying.

Decorate Your School in Blue

Get creative and decorate your classrooms and hallways with blue balloons, bunting and posters to raise awareness. Your fundraising toolkit kit has everything you need to get started!

Host a Blue-Themed Fundraiser

Whether it's lunchtime games or a bake sale, make it blue and fun! Ask the students to come to school dressed in blue in exchange for a gold coin donation.

Download our Kindness Activities

For students of all ages, we've got colouring sheets, bingo, lesson plans and more! Download our kindness activities to bring kindness to life in your classrooms.

**Your support will raise awareness and vital funds for Dolly's Dream,
helping to prevent bullying, and making sure young people
and families never face it alone.**
